

1. Even, perfect cooking

Even cooking, perfect results.

Less fat, more crisp!

Cutting edge technologies make for evenly distributed heat for the crispiest of creations. Save big in our Flash Sale now!

2. Removable stirring paddle

Paddle in or paddle out.

Whatever you're cooking, we've got you covered.

Paddle IN, no shaking required. Paddle OUT, more versatility in the kitchen for even your most delicate recipes.

3. Viewing while cooking

Eyes on the prize.

See how your meal is coming along every step of the way.

The only air fryer with an extra-large, steam-free window, Actifry Vista gives you the full view so you're always in control.

4. General

One appliance, tons of options.

Ultimate versatility with the Actifry Vista.

Change the way you cook with less oil, more flavour and the perfectly crispy results you crave, be it dinner or dessert.
