

Martellata

A match made in heaven.

Better together.

A beautiful combination.

Beauty comes in pairs.

Hammered copper meets stainless steel for a one-of-a-kind look.

Hammered copper and stainless steel deliver the look AND the results.

Visually unique and also functionally beneficial, the hammered copper exterior heats and cools quickly for flawless cooking.

Legacy

Always beautiful.

On the stove, or on the table.

Cook and serve in class.

Elegance from stovetop to tabletop.

Designed to be beautiful, built to be functional.

Have it all.

Hammered stainless gives a stunning look while cutting edge 5-ply technology brings lasting heat efficiency and durability.

Black Friday and Cyber Monday

Functional. Elegant. Timeless.

Everything you need...in stainless steel.

From stove to table, and everything in between.

Cooking has never been so good.

Enjoy the beauty, taste the results.

Bring function and elegance to your kitchen.

Get superior heat retention and even cooking with the Lagoseal® base, thick aluminum core and durable stainless exterior.
