

Construction of the New St. Athanasius Centre to Begin in Summer of 2022

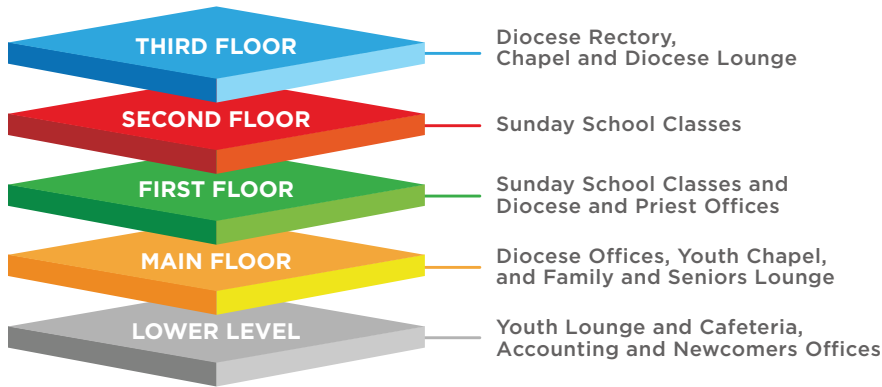

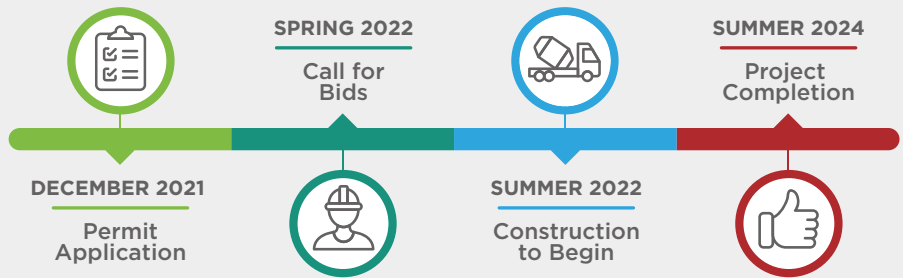

We've come a long way, but there's still a long way to go.

STATUS UPDATE

Some time ago we realized that our Diocese and Church needed to expand in order to better serve our growing community. In 2014, plans commenced for the development of the St. Athanasius Centre addition, with the blessing and encouragement of HH Pope Tawadros II and his Grace Bishop Mina.

GET EXCITED FOR WHAT IS TO COME

The St. Athanasius Centre will support the needs of our Diocese, improve Sunday School ministry, and enhance the services we provide to youth, family, seniors and newcomers.

LET'S ACHIEVE OUR GOAL TOGETHER

We thank you for your prayers and support. As we approach the end of the year and see our construction commencement date around the corner, we appreciate your continued support now more than ever before.

We are committed to achieving our goal for the benefit of an amazing community we've built together.

And we need your help to get a little closer.

Goal by the End of 2021:
\$5.0 million
